First of all, we extend our thanks to all of our excellent keynotes, speakers, conference attendees, students, associations, media partners, exhibitor and guests who made this **Spine 2019** Conference as the most successful and victorious event.

AAC hosted the event **The 4<sup>th</sup> International Conference on Spine and Spinal Disorders during September 3-4, 2019 at Hotel Holiday London, UK** with the theme “**Exploration and Innovations Which Contribute Hand Towards Curing and Understanding the Diverse Aspects of Spine and Spinal Disorders**”. Benevolent and active participation from the Editorial Board Members of supporting International Journals as well as from the leading academic researchers, Neurologists, Doctors, research scholars, students and leaders from the fields of Spine is the cause to make this event successful.

The Spine Conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 18 countries, who have driven this event into the path of success. The conference highlighted through various sessions on current retroviral research.

Spine 2019 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the fields Spine disorders, Neuroscience, Neuro-Oncology, Neuro-rehabilitation, Spine Biomarkers, etc.,

The Spine Conference proceedings were carried out through various Scientific-sessions and plenary lectures. The conference was embarked with an opening ceremony followed by a series of lectures delivered by both Honorable Guests and members of the Keynote forum. The adepts who promulgated the theme with their exquisite talk and testimonials received from the attendees.

We would like to express our sincere gratitude to Moderators, Speakers, Keynote Speakers, Members of the Organizing Committee, Attendants and Guests for their inspiring speeches and for making Spine 2019 a memorable and fruitful affair.

With the grand success of Spine 2019, AAC proud to announce the “3rd International Conference on Central Nervous System and Therapeutics” is slated to be held during September 3-4, 2019 London, UK.
