Market Analysis

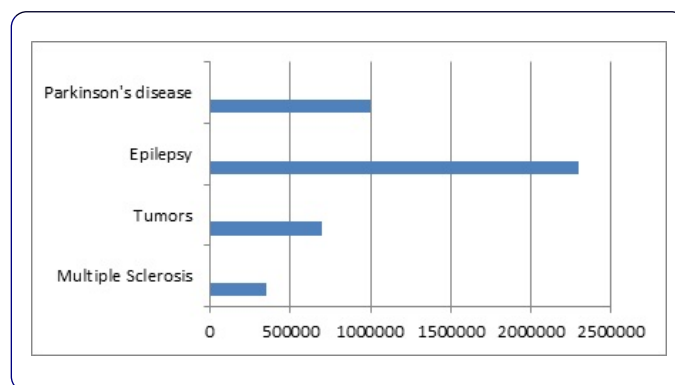

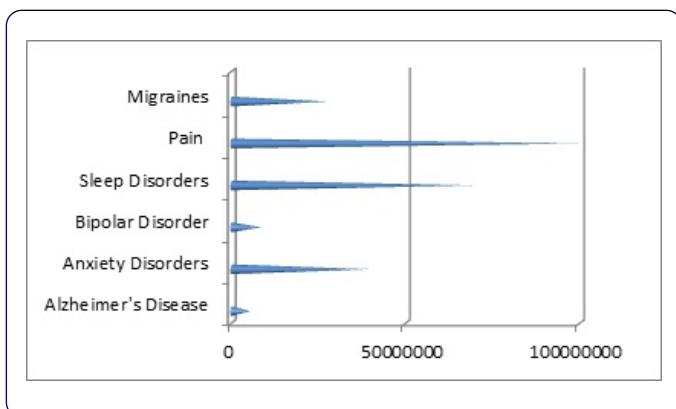

Neurology and Neuroscience market was valued approximately Euro 25 billion in 2016 and was expected to grow at a rate of 3.1% CAGR over the next period. The influencing factors which affect the market value this medical field are Government initiatives on neuroscience, awareness, brain imaging, and brain mapping research, cognitive neuroscience research, and new technological advancement are going to help this sector to prosper to a new level.

According to a report, the global Neuroscience market will see high and rapid growth with the expected rate of 3.5% CAGR and reach the new high of USD 34,800 million by 2024. The major sectors of neuroscience which will affect its growth are:

- Whole Brain Imaging
- Neuro-functional analysis
- Stereotaxic surgeries
- Neuro-microscopy
- Neuro-proteomic analysis
- Electrophysiology

The key player in the global market of Neurology and Neuroscience are GEHealthcare, Mightex Systems, PhoenixTechnology Group, Prizmatix, Doric Lenses Inc, Siemens Healthineers, Laserglow Technologies, Kendall Research Systems, MedAssociates and many others.

Here are some statistics for number of neuro-related cases, disorders or conditions:

According to Alzheimer's disease Facts published by Alzheimer Association in 2017, 38% of population above 85+ in USA have this disease, 44% of population is between 75+, 16% of 65-74 age group, and 4% are from below 4%.

Regional market is dominated by USA as they are investing more in research of this area. It is believed that USA will dominate this sector for another decade. Other countries like European countries, China, Japan are actively contributing to grow its market cap in this field. As the artificial intelligence comes into consideration Cognitive Neuroscience is become a best area to invest the money and to get profit also.

Major Manufactures, Industry Chain Analysis, gross margin, growth rate and the most effective development within the organization comprised throughout this analysis, additionally to the present. Global Neurology Healthcare Market Research Report 2018 offers readers comparative assessment of key market players and strategic overview of global Neurology Healthcare market.

Scope and Importance:

Neurology conference 2020 will concentrate on how to promote excellence in Neurology research and child health

which offers an exceptional open door for specialists across the globe to meet, organize, and see new logical developments. The current year's Neurology 2020 features the subject, "Innovations and Excellence in Neurology & Research" which mirrors the noteworthy advance in Neurology Research. The two days meeting incorporates Neurology congress 2020 workshops, symposiums and extraordinary keynote sessions directed by famous and prestigious speakers who exceed expectations in the field of Neurology 2020. This worldwide [Neurology](#) Conference 2020 additionally supports the dynamic interest of youthful understudies, forthcoming analysts and growing researchers as we are facilitating Neurology Congress 2020 Poster Award Competition and Young research Forum at the gathering venue.

[Neurology](#) 2020 is a global stage for [exhibiting](#) research about Neurology and related themes, trading thoughts regarding it and in this manner, contributes in dispersal of information in administration of the infection for the advantage of the general public.

Pediatrics Market Analysis Globally:

Major Institutions and Hospitals:

Europe: Sant Joan de Déu Hospital Barcelona, Barcelona University, Sant Joan de Déu Research Institute, Hospital Materno-Infantil Vall Hebron, Hospital Ruber Internacional, Centro Médico Teknon, Vithas Xanit International Hospital, Hospital Quirón Marbella, Hospital Quirón Valencia, Grupo Hospitalario Quirónsalud, Master's Degree in Pediatric Infectious Diseases, Autonomous University of Barcelona, University of Navarra, University of Valencia, Complutense University of Madrid, Pompeu Fabra University, University of Granada, University of Salamanca, University of Santiago de Compostela, University of Seville, University of the Basque Country, University of Rovirai Virgili, University of Murcia, University of Zaragoza, Universidad de Alcalá.

USA: University of Pennsylvania, Harvard University, University of Cincinnati, Johns Hopkins University, University of California-San Francisco, Stanford University, University of Colorado, Baylor College of Medicine, University of Washington, Duke University, University of Pittsburgh,

Washington University in St. Louis, Boston University, Case Western Reserve University, Columbia University, Emory University, George Washington University, Indiana University-Indianapolis, North-western University (Feinberg), Ohio State University, University of California--Los Angeles, University of California-San Diego, University of Michigan-Ann Arbor, Vanderbilt University, Yale University, University of Washington, Children's Research Institute, Texas Children's Hospital (Houston), Cincinnati Children's Hospital Medical Center, Children's Hospital of Philadelphia, Nationwide Children's Hospital (Columbus, Ohio), Riley Hospital for Children, Children's Hospital Boston, Children's Medical Center Dallas, Phoenix Children's Hospital, Akron Children's Hospital, Children's Hospital Central California, Arkansas Children's Hospital, Children's Mercy Hospital & Clinics, Lucile Packard Children's Hospital at Stanford, Miller Children's Hospital, Children's Hospital of Pittsburgh of UPMC, Miami Children's Hospital, Children's Hospital Los Angeles, Cook Children's Medical Center, The Children's Hospital, Children's National Medical Center, Children's Hospital of Alabama, Rady Children's Hospital San Diego, Primary Children's Medical Center, St. Louis Children's Hospital, Seattle Children's Hospital, Children's Memorial Hospital, Morgan Stanley Children's Hospital of NewYork-Presbyterian, University of South Alabama Children's & Women's Hospital, Children's Hospital & Research Center, Inova Fairfax Hospital for Children.

Asia Pacific: Tsinghua University, National University of Singapore, University of Melbourne, Hong Kong University of Science and Technology, Zhengzhou University, Huazhong University of Science and Technology, Jilin University, Shandong University, Central South University, Children's Hospital of Fudan University, Red House Hospital, Beijing New Century International Hospital for Children, The Duchess of Kent Children's Hospital at Sandy Bay, Shanghai Children's Medical Center, Shanghai Children's Hospital, Yuying Children's Hospital, University of Tokyo Hospital, National Center for Child Health and Development, The Royal Children's Hospital, Princess Margaret Hospital, Sydney Children's Hospital, The Women and Children's Hospital, Lady Cilento Children's Hospital, The Royal Children's Hospital, Princess Margaret Hospital, Sydney Children's Hospital, The Women and Children's Hospital, Lady Cilento Children's Hospital.
